# We've gained their trust

## Testimonials

*"As an interior designer in Spain, I find in Cover Styl an **elegant, fast, genuine** and **economic** way to renovate or highlight interiors, offices, wall or furnitures. Their wide pattern selection is a great help to please most of my clients!"*

**- MARIA SANTOS ALCALÁ, Interior Designer**

*"Following the 200 rooms renovation of our hotel Radisson Blu, I appreciated the following advantages: a price 2 to 5 times **less expensive** than a classic renovation, saving time thanks to speed of application and **easy to place**, which is not always obvious with other trades. Finally the textures and the range color let me think that there is **no limit**. Cover Styl honors our tagline which is 'Yes I can'. It sums up the reactivity of your sales representative, teams and the level of finition worthy of our 4 stars hotel."*

**- JEAN-BAPTISTE BOURCIER, Technical and Safety Director**

## Environment.

We prioritize your health and the environment. Our clean manufacturing process produces low levels of **CO2**. Additionally, installing our film minimizes the waste generally produced by traditional renovation methods by allowing you to give a new life to existing structures. This minimizes the volume of **waste** sent to **landfills**, contributing to a more **sustainable** approach to renovation, and reducing carbon footprint.
