

Imageperfect iS8 High Performance Film

High-performance coloured vinyl range with a permanent, solvent-based, toluene-free adhesive. Available in 90 colours, including black, white and clear in both gloss and matte finish.

Imageperfect iS8, can be used for a wide variety of indoor and long-term outdoor applications on flat and slightly curved surfaces, such as general purpose signage, window graphics, long-term outdoor advertising, vehicle graphics, public transport advertising, sign systems, and more! These specially-formulated, high performance films, combined with a double-side PE liner, are considered to be one of the easiest and fastest films to cut and weed on the market. Imageperfect iS8 products are carbon measured (certified: CarbonQuota 2023).

Specifications	
Description	High performance film
Colour	Black, white and clear (gloss and matt) and 84 colours (gloss)
Thickness	70µm
Weight	N/A
